In addition to these activities, the Outdoor Buddies big game hunting committee continues to work throughout the year making plans and schedules for hunts for disabled members. Each year the number of disabled persons requesting big game hunts exceeds the number of available hunting slots. We are continually seeking access to additional hunting properties. Please contact me or Larry Sanford if you, or anyone you know, can help in this area.

If you have suggestions or comment, you can contact me at (719) 783-9044 or drobey@centurytel.net.

Executive Director's Comments

By Dwaine Robey

Thank you, thank you, and thank you to all who attended the Outdoor Buddies Banquet on April 5th. You helped make it a big success. Your support is truly appreciated!

Now that the banquet is behind us, we are working on a few more exciting Outdoor Buddies events. For the shooting enthusiasts there is the

Sight-In at Green Mill Sportsman's Club on Saturday, April 26th. The Green Mill Sportsman's Club is a private club dedicated to providing an educational, safe and enjoyable place for members to enjoy the shooting sports. During the fall, the Green Mill Sportsman's club opens the club ranges to the public for hunter sight-in. They have graciously hosted sight-ins for Outdoor Buddies members several times in the past. They do a great job of helping those who need help!

On Saturday, May 17th Outdoor Buddies will hold its third annual Community Appreciation Day at A Painted View Ranch near Westcliffe. This family oriented event is held in honor of US military veterans and active duty members with special recognition of disabled veterans. Please see additional information regarding this event elsewhere in this newsletter. You should not miss this event designed with activities for all family members.

The annual Outdoor Buddies Golf Benefit will be held on Saturday, June 7th at Murphy Creek Golf Course in Aurora. Now is the time to organize your foursomes and reserve your entries for this fun event. Please see the article about the golf benefit elsewhere in this newsletter.

Another great family event is scheduled for June 14th; the annual Outdoor Buddies Family Day at Swift Ponds. Outdoor Buddies President, Larry Sanford, and his wife Penny and their committee are already working on plans for the annual family day. It promises to be the best one ever so please make a note on your calendar now and plan to be there with your family and friends.

President's Column

By Larry Sanford

Wow! What a great Fundraiser Banquet!

It was sure nice to see everyone who made it to the Outdoor Buddies annual banquet. There were a lot of stories being told and folks reconnecting throughout the evening.

Thank you to everyone who donated their money and time so that Outdoor Buddies can

continue to be an outstanding organization that helps so many people!

I want to thank all of our Banquet Committee members who made our fundraiser so successful; especially Dwaine and Ann Robey who have given so much of their hearts and time to Outdoor Buddies banquets as well as many other activities.

Outdoor Buddies will be having some great events coming up this spring and summer so if you want to have a great time with your families please come out and have some fun! All of these events are listed in the Upcoming Events Calendar in this newsletter.

Wally Hunt and I have been trying to help some of our Handi-Buddies get connected with other Outdoor Buddies members. This would help them get to events that they normally might miss. If you are interested in helping us connect these folks or you want to get connected with someone who lives close to you then get a hold of Wally or me and we will get you connected.

The Outdoor Buddies Hunt Committee has been working hard placing hunters for our available big game hunt slots. There are never enough hunt slots to go around so we are continually looking for more opportunities for elk and deer hunting properties. If you are a landowner or know someone who can give an opportunity for someone with a disability to go elk or deer hunting please contact me.

2014 Outdoor Buddies Banquet

Outdoor Buddies held its annual banquet for 2014 at The Wildlife Experience in south Denver on Saturday, April 5th. There was a full house again this year.

Outdoor Buddies Executive Director, Dwaine Robey, kicked off the evening's program with a welcome and thank you for the great support given to Outdoor Buddies.

After introductions and brief remarks from the officers, Outdoor Buddies Vice President, Dustin Robey, introduced Dan Daru, the master of ceremonies for the program. Dan is a well-known Denver TV personality, who is a weekday morning reporter on *Fox 31's Good Day Colorado*. This was Dan's third consecutive year as master of ceremonies at the annual Outdoor Buddies affair.

The National Colors were presented by the Young Marines Color Guard.

The Pledge of Allegiance to the flag was led by youngsters Taylor and Trevor Robey and Romeo and Bella Daru

Todd Bacon, Outdoor Buddies Chaplin, delivered the invocation.

The keynote speaker was Major-General Joe Arbuckle, retired U.S. Army, who talked about the impact of budget cuts on the Department of Defense and wounded warrior status in reference to the US military drawdown in Iraq and Afghanistan.

Outdoor Buddies President, Larry Sanford made a presentation demonstrating how adaptive equipment is used to assist disabled persons in their pursuit of outdoor activities.

This set the stage for the live auction, and gave auctioneers John Anderson and Jeff Sweeney a chance to begin the action.

Dan Daru, Dustin Robey, Chris and Amy Dorow, and others assisted the auctioneers, while Marci Gregg recorded sales.

The evening concluded with the raffle prize drawings. Amazingly, Jake Rusak's winning ticket was drawn for two of the drum raffle prizes. What are the odds for that?

The winners of some of the raffles included:

Jake Rusak	9 mm SCCY Two-Tone Pistol
Erin Lorenz	Beretta 12 Gauge Shotgun
Jake Rusak	Lake of the Woods Fishing for 4
Charles Parke	Colt LE6920 AR15 Rifle

Outdoor Buddies would like to thank all of the individuals and companies who donated items for the raffles and auction, and express gratitude to The Wildlife Experience for its assistance in hosting this great banquet.

Very special thanks to our guest speaker, Joe Arbuckle, and all who attended!

Following are a few additional pictures from the banquet.

The Young Marines Color Guard presents the National Colors.

Dustin Robey, MC Dan Daru, and Richard Westfall discuss the evening's program.

Firearms and Other Stuff

By Bill Baker

Hey Outdoor Buddies! Recently I heard from one of our members named Frank who feels his 300 Win. mag has too much recoil for his disability. He phoned and asked if I could help him with this problem. We have had several hour-long conversations and I believe this is what we've come to.

We're going to install two mercury-filled recoil suppressers in his stock, one in the forend and one in the butt. If this does not sufficiently reduce the recoil to his tolerance level, we will then add a KDF muzzlebreak.

We also have upgraded his scope, rings, and bases from Tasco (Trash-co) to Redfield for a much better increase in the light transmission and the rigidity of the mounting system. We are also going to glass-bed the entire action and free-float the barrel to improve consistent accuracy.

I'll keep you apprised about how it works out when we get further along. Frank seems excited, so therefore so am I.

Everyone else can feel free to contact me at 719 942-3027 if they need any help with gunsmithing. I never charge a fee per se.

Sincerely,
Wild Crazy Bill
Gunsmith, Firearms Advisor
