Executive Director's Comments

By Dwaine Robey

Thank you to all who attended the Outdoor Buddies Community Appreciation Day in Westcliffe on May 17th. Your participation is truly appreciated!

Another great family event is scheduled for June 14th; the annual Outdoor Buddies Family Day at Swift Ponds. Outdoor Buddies President, Larry

Sanford, and his wife Penny and their committee have been working on plans for the annual family day. It promises to be the best one ever so please plan to be there with your family and friends.

The Outdoor Buddies big game hunting committee continues to work throughout the year making plans and schedules for hunts for disabled members. The number of disabled persons requesting big game hunts each year nearly always exceeds the number of available hunting slots. We are continually seeking access to additional hunting properties. Please contact me or Larry Sanford if you, or anyone you know, can help in this area.

Through the years, Outdoor Buddies has accumulated a small inventory of special equipment that we use in some of our activities. We have off-road vehicles including an ATV with a "go-getter" attachment, a Bad Boy electric/gasoline engine utility vehicle, an Arctic Cat Prowler UTV, trailers, a fishing boat, a snowmobile, wheelchair shooting rests, and other miscellaneous equipment.

Outdoor Buddies recently received grant funding to be used for the purchase of two Action Trackstander units. We expect to have these units in operation by the

end of June.

The Outdoor Buddies organization is in need for some "new blood" on our management team. Many of us who have been very active in the management of the organization for several years are getting "way past" retirement age and cannot continue working on Outdoor Buddies activities indefinitely. This situation is getting increasingly critical as time passes. Ideal candidates to get involved include recently retired individuals who are looking for worthwhile activities now that they may have some free time after retirement. Is that you; or do you know someone who may fit this description? If so, please let me know.

If you have suggestions or comments, you can contact me at (719) 783-9044 or drobey@centurytel.net.

did a great job putting on this event. Thank you!

Community Appreciation Day Honoring Disabled Veterans and other Military Personnel and Veterans

Approximately 300 people attended the Outdoor Buddies Community Appreciation Day Honoring Wounded Warriors and Other Military Personnel and Veterans on May 17th, Armed Forces Day, at A Painted View Ranch near Westcliffe. Attendees included Soldiers from the Warrior Transition Unit at Fort Carson.

Special thanks to Bill Canda for the great job he did as public address announcer for the event. He kept everyone informed and headed in the right direction.

There was an impressive flag ceremony with a mounted color guard from Fort Carson and local American Legion Post 170 color guard and Reverend Andrew Zeller recited a stirring prayer for the occasion.

Other activities included a mechanical bull ride, the Blooming Bush Women (music and Samurai Sword Dance), pack mule demonstrations by a local US Forest Service representative, a kid's fishing game, archery trailer, and laser shot video game staffed by local Colorado Parks & Wildlife representatives, alpacas from Paca Peace Ranch, an educational program with wolves conducted by Kent Weber, Executive Director of Mission Wolf Sanctuary, stick pony barrel racing, and more.

Special attractions for kids included a bounce house, ducky races, face painting, animal balloons, and cotton candy.

Free meals were served including barbecued pork, hot dogs, baked beans, potato salad, cookies, iced tea, lemonade, and water. Alcoholic beverages were prohibited.

The mounted color guard from Fort Carson showed off the riding skills with a rousing equestrian demonstration immediately after lunch.

Special guests included members of the Warrior Transition Unit from Fort Carson, a contingent of patients and staff members from the Pueblo Veterans Home, patients and staff from the Haven Behavioral War Heros Hospital in Pueblo, and many other military veterans.

We would like to thank all the organizations that provided activities and displays at the event. In addition we thank American Legion Post 170 including their Auxiliary for its participation and support.

Volunteers from Outdoor Buddies did the food preparation and service. Outdoor Buddies Activities Coordinator, Rob Adams headed up the volunteer lunch crew and Ann Robey did much of the shopping and assisted with the food service.

Following are some pictures from the event provided by event photographer, Mary Chandler.

Firearms and Other Stuff

By Bill Baker

Hello fellow Outdoor Buddies!!!

I hope you have all been having a great time.....Some of you have been in touch with me, so I'll review some of our topics of discussion.

Frank's 300WM is not here yet, so nothing new there...Bob has asked if I would add a set of Mercury Recoil Suppressors to his 300WM, as well.

So when I get Frank's 300 WM I'll do Bobs at the same time. Since I'll be cutting stocks, pads and boring holes for Frank & Bob, I'll put the same 2 systems in my new C-Z 416 Rigby. She has an English walnut stock so I want a very thin pad. That way I can see for myself what the affect is, rather than just adding a muzzle break as I normally would. John has a 30-06 and wants to load with his shooting buddy. So as always, we talked and talked. He needs a progressive type press; one with a side handle to move the die-set around the turret. That way he only needs to adjust all the dies once per Caliber, and then just move to the next station. This type of Press is not quite as accurate as a single stage, but should serve him just fine. He said he would keep me updated. Funny, speaking of chatting with you folks, Darrell just called about his new Ruger 1911 clone. Seems it has a trigger problem... HUM, a Ruger with a trigger issue???? I told him once he gets it back from the factory I'll be glad to make it work....Please feel free to contact me at 719-942-3027 about any of your firearms questions.
