## Cow Bison Hunt

**This bison hunt will take place in October or November 2018 on a private ranch in Park County, Colorado and will be guided by a ranch manager.**

**The head, hide, and meat are the property of the hunter.**

**After the kill, guides will take care of field dressing your animal. Meat processing fees are not included, although we can help make arrangements.**

**The bison is the largest land mammal in North America. Bulls weigh up to 2,000 pounds and Cows weigh about 1,000 pounds. A slaughtered bison carcass will weigh approximately 56% of the animal's original weight.**

**Bison are not domestic animals and should be treated with caution and respect; each animal has its own distinct personality. They can run at speeds up to 40 mph**

**Bison meat is great tasting and great for you! Most people say bison is the most flavorful meat they have ever tasted, with a sweeter and richer flavor than beef. It is not 'gamey' or wild tasting. Bison meat is much lower in fat and calories than other meats, including poultry and fish.**

**This bison hunt opportunity is well suited for older and/or disabled persons who can no longer ride on horseback or walk over very rugged terrain.**

**Outdoor Buddies believes that everyone deserves the opportunity to enjoy the outdoors!**
