## Executive Director's Comments

*By Dwaine Robey*

All you bird hunters should make plans to attend the Outdoor Buddies chukar/pheasant hunt near Florence on Saturday, March 14<sup>th</sup>. This hunt was previously scheduled for February 21<sup>st</sup>, but was rescheduled due to bad weather conditions. See more details about this event elsewhere in this newsletter.

Time is running out for you to make plans to attend the annual Outdoor Buddies Fundraiser Banquet. The 2015 banquet celebrates **thirty-one years of community service** by Outdoor Buddies.

The 2015 banquet will be held at The Westin Westminster Hotel on Saturday, April 11<sup>th</sup>. Banquet tickets can be purchased using the forms included in this newsletter or on the Outdoor Buddies website at [www.outdoorbuddies.org](http://www.outdoorbuddies.org).

Please consider reserving a table for ten (10) at the banquet. That way you and your friends will be assured that you can sit at the same table.

An effort will be made to keep smaller reservation groups together as much as possible.

**This year's banquet will be different from previous years in that the banquet committee is committed to selling out all tickets prior to the event.** This year there will be no tickets available after April 6<sup>th</sup> as Outdoor Buddies must notify the Westin of the number of attendees on that day and pay in advance for the food service.

You may also want to reserve a room and stay over after the banquet at the Westin Westminster Hotel. Outdoor Buddies guests can reserve a room at a reduced rate of \$94.00 per night plus tax. **It is important that**

### Raffle & Banquet Ticket Sales at Sportsman's Warehouse in Colorado Springs

The Bardfield family will be at the Sportsman's Warehouse in Colorado Springs on Saturday, February 28<sup>th</sup> to sell raffle and banquet tickets for the Outdoor Buddies

annual fundraiser banquet.

This is an extremely busy Sportsman's Warehouse store, so it will keep them hopping all day and the response from the customers when they hear about Outdoor Buddies has been amazing.

Outdoor Buddies extends our thanks and gratitude to Sportsman's Warehouse store manager, John Fly and his staff, for providing this great opportunity for Outdoor Buddies.

### Outdoor Buddies Chukar/Pheasant Hunt Rescheduled By Dwaine Robey

The Outdoor Buddies bird hunt that was set for February 21<sup>st</sup> has been rescheduled for Saturday, March 14<sup>th</sup> due to weather conditions.

Jason Mulso, owner of Fremont Pheasant LLC, and Moose Plumbing & Heating, LLC, along with a few of his friends, is hosting this event for Outdoor Buddies. Jason hosted a similar event last year and it was loads of fun. The event will be held on private property near Florence.

This event promises to provide a lot of shooting because Jason is planning to plant many birds including a combination of chukars and pheasants.

Outdoor Buddies will provide some adaptive equipment for disabled hunters who may need a little help getting around for their hunt. We will have our "Go-Getter" ATV device as well as Action Track chairs.

This will be an all-day event starting at 9:00 AM. Lunch will be served. Shooting is reserved for disabled members, except for "back-up" shooters.

At the end of the hunt harvested birds will be cleaned and divided with participants who want them.

Participants need to register in advance by contacting Dwaine Robey by telephone or email message. Once registered, participants will be provided with more information and directions to the location of the event.

**This promises to be a fun-filled day so come join us!**

To register contact Dwaine Robey at: (719) 783-9044 or (303) 877-8584 or [dwaine.robey@outdoorbuddies.org](mailto:dwaine.robey@outdoorbuddies.org)

## A Perfect Ending ..... My 2014 Deer & Elk Hunt By Randy Olson

It's hard to imagine that as I'm writing this it has been a year since I started planning for this Ranching for Wildlife hunt. For twenty years I have been saving my Colorado deer preference points for such a hunt and decided that 2014 was the year to hopefully draw and complete the hunt.

I had been watching Ranching for Wildlife units over the years and after a lot of research and some input from Dwaine Robey I decided to try for Wolf Springs Ranch.

I asked Outdoor Buddies to assist me with this hunt as I knew it would be hard for me to do by myself.

In April of 2014 I, like many other hunters, put in for the draw not knowing for sure if the 20 preference points would be enough. But in June I got the notice that I had been successful.

With so many medical issues that popped up last year I came close to turning in my tag, but with **Dwaine's encouragement I pressed on.**

In the Ranching for Wildlife Program, Wolf Springs Ranch only issues one buck tag for the season. So I was excited to be hunting the ranch when I would be the only deer hunter.

The end of November 2014 arrived and with the help of Dwaine, Rob Adams, and my close friend Jason Axtell, we prepared for the week of hunting.

We all arrived at the ranch office and met with the ranch manager, signed all the necessary paperwork and were given permission to do some scouting. I knew that I may have the opportunity to harvest a Boone and Crockett buck as previous hunters had in the past.

We were granted access to this ranch of 55,000 acres, **14 miles long and 7 miles wide. That's a big area to cover,** but we were given some helpful hints about locations on the ranch that were good deer habitat.

**The weather was warm and the rut wasn't** quite in full swing, but we did find some great spots to start. On the way out a nice 5x4 buck crossed the road in an area called the Sacred Rocks. We watched him for a while and I told the guys "I'd harvest that buck if given the chance".

Saturday we spent a lot of time driving the ranch and saw lots of sign but no deer. On Sunday I spent the day with Rob Adams, always a fun and insightful time, searching for deer. Again, we saw lots of really good sign and terrain, but no deer.

Monday we decided to try for elk as I also had a late season tag. Rob had told me that his success rate was awfully good and he usually had an elk down within a half hour or so. Rob was in the lead as Jason and I followed in Jason's truck. Rob spotted three cow elk close to the road. We passed by them, turned around so I would be on the right side to shoot. We got off the road, stopped and the elk started to move. We had to do a quick change of location and stopped again. The elk paused just enough for me to take a shot.

It was a perfect heart/lung shot at 197 yards and the cow elk was down!

Rob had told me he always got an elk within the first half hour of the hunt, but I think we broke his record. Legal shooting time was 0630 and the elk was down at 0639. Rob and Jason field dressed **the elk and with Rob's**

ingenious method it was loaded into the back of his truck.

**Jason and Randy with Randy's cow.**

While waiting for Rob to get the combination to the gate Jason and I had a marvelous experience as a large 6x6 bull elk ran across the pasture from about a mile away, crossed within feet of my cow, jumped the fence and faced off with us on the highway. Frost covering his hair, mist coming from his nostrils, he stood within feet **of the truck. It's a memory I will never forget.**

Tuesday was another day of looking for deer. With the weather change I had a couple of opportunities, but no luck.

Jason and I were both getting worn out getting up at 4:00 am and getting back in bed at 9:00 pm every day. So I decided Wednesday would be our last day.

That evening the 5x4 buck we had seen on the previous Friday showed himself near the Sacred Rocks. Jason got me into position after some creative driving. Jason ranged the buck that was with three does, 127 yards.

I made another heart/lung shot and the buck was mine!

**Randy with his nice muley buck.**

We did experience a problem with one of the does as she proceeded to chase Jason and paw at the ground

while he was trying to load up her husband. I wasn't sure she was going to let us leave.

We got back to Dwaine's house, skinned, quartered the deer and got him in the cooler for transport.

The six days on the ranch were the most emotional and beautiful I can ever remember on a hunting trip. The scenery, views, rock formations and pureness of the ranch were overwhelming. If I had never harvested an animal just being on that ranch was amazing and to think we only saw a small portion of it.

I am truly satisfied and it was a perfect ending to 2014. If I never hunt again, though I know I will, it was a hunt of a lifetime.

Thanks to all the folks at Wolf Springs Ranch, Dwaine and Outdoor Buddies for not letting me stop, Rob for being there as friend, helper and words of wisdom guy, and most of all to Jason Axtell for giving up all that time and use of his truck to get it all done.

### Hunt Committee Update

By Larry Sanford

I am going to start with upland bird hunts. Outdoor Buddies has two bird hunting events coming up soon! On March 7<sup>th</sup> we are having a Chukar shoot for five disabled hunters and five youth.

The Rocky Mountain Sporting Dog Club will be running the Chukar Hunt Field Trial. There will be pointing dogs to work the birds in two fields where the Outdoor Buddies hunters will be shooting. The disabled hunters will be using either the Outdoor Buddies go-getter or one of the track chairs provided by Outdoor Buddies.

This hunt will take place east of Brighton near the town of Hudson. We have spaces available on a first come first serve basis!

If you want to be one of the disabled or youth shooters call Larry Sanford ASAP.

This event is for the whole family to take part in and learn about hunting dogs as well as training dogs; all are welcome! Who knows, you might even win a medal as part of the field trial portion of the hunt!

The second hunt is a reschedule chukar/pheasant hunt, originally scheduled for February 21<sup>st</sup>. The event was rescheduled due to inclement weather conditions and will now be held near Florence on March 14<sup>th</sup>. For details and to register please call Dwaine Robey.

Disabled hunters wanting to do a big game hunt this year need to submit a Big Game Hunt Request ASAP.

We will be matching hunters with available hunt slots by the middle of March so that the disabled hunters who are selected can submit applications for hunting licenses via the Colorado Parks and Wildlife's 2015 limited license big game drawing which has a deadline of April 7<sup>th</sup>.

To put your hunt request online please go to the Outdoor Buddies website at [www.outdoorbuddies.org](http://www.outdoorbuddies.org).

Disabled and youth hunters wanting to hunt pronghorn on an Outdoor Buddies Pronghorn Hunt during either the October 3-9 rifle hunt or the late season (disabled and youth ONLY) pronghorn rifle hunt in November should submit a hunt request and specify which hunt in which you would like to participate.

If you have any questions please contact Larry Sanford, Dwaine Robey or Jim Piper and we will try to answer any question you may have.

See you in the field!

### Family Day at A Painted View Ranch

By Dwaine Robey

On **Armed Forces Day**, May 16<sup>th</sup>, Outdoor Buddies will hold the fourth annual Community and Armed Forces Appreciation Day near Westcliffe.

Again this year, thanks to the generosity of ranch owners, Ralph and Donna Hood, the event will be held at A Painted View Ranch. The ranch is located three miles west of downtown Westcliffe. Activities will start at 10:00 am and end at 4:00 pm.

Everyone is invited! There will be games, demonstrations, free food, and much more.

The Mounted Color Guard from Fort Carson will participate in the flag ceremony. Immediately following the flag ceremony, the mounted color guard and mule team and wagon will perform an equestrian demonstration.

Special attractions for kids (and some adventurous older folks) include a bounce house, ducky race (using an irrigation canal that runs through the ranch), stick pony barrel racing, face painting, animal balloons, and cotton candy.

More information about this event will be included in future newsletter.

In the meantime, mark your calendar and make plans to be in Westcliffe on May 16<sup>th</sup>!

### Family Day at Swift Ponds

By Larry Sanford

The 31<sup>st</sup> annual Family Day at Swift Ponds will be held on Saturday, June 13<sup>th</sup> 2015 at the Colorado Youth Outdoors Swift Ponds facilities.

If you are interested in being on the planning committee for this event please contact Larry Sanford.

Everyone is welcome to help make this event for your whole family a great day of fishing, trap shooting, archery, BB gun

target shooting and more!

If you have any ideas on activities that you would like to see this year please contact us with your ideas and comments to make this an event that you and your family will enjoy!
