Outdoor Buddies Family Day at Swift Ponds

By Larry and Penelope Sanford

The past, present and future should have been the theme for this year’s Outdoor Buddies Family Day at Swift Ponds.

We thank the Swift family and Colorado Youth Outdoors for transforming and maintaining these ponds as a place where relationships can flourish and organizations with like missions of getting people in the outdoors through traditional recreational activities can enjoy the great environment!

People started showing up through the front gate at 8:30 AM. Members who have been enjoying family day, year after year, usually have a special pond location where they like to set up with their families and friends for a day of catch and release fishing.

For many years Jack Jonas and family were the grill masters on a brick grill there at the ponds. After Jack’s passing a year ago Tina Johns, who is Jack’s daughter and her husband led the grilling team including the rest of their family.

They vowed at Jack’s celebration of life that they were going to continue the Jack Jonas tradition of being the grill masters at Family Day! Our special thanks go out to the Johns family for taking care of lunch!

This annual Outdoor Buddies Family Day has been held at Swift Ponds for the last 30 plus years! Wow, what an honor to be a part of an organization like Outdoor Buddies that has such a well anchored history! It’s up to all of us to do our part for the future!

Men such as Sid Sellers, Louis Swift, and Jack Jonas are no longer with us in body, but their dedication to the mission of Outdoor Buddies and their spirit lives on through events like Family Day at Swift Ponds.

The day started out with volunteers setting up the different activities throughout the area. There was fishing, trap shooting, BB gun shooting, horseshoes, archery, and of course lots of food.

I want to thank Don Reid and Dave Murtha for being the shoot masters and running the trap shooting this year. Bob Reichert, Dan Brown, and Tom Egan helped them run two trap shooting stations that were a huge hit with the attendees. Participants from all ages, beginners to expert, enjoyed shooting shotguns on the fantastic trap shooting facility that Colorado Youth Outdoors has built!
On one station they were teaching beginners to shoot for the first time and on the other trap station they had trap shooting for those that had shot before and wanted to practice shooting. Thank you to everyone who helped make this such a success!

This year’s highlight for me was the BB gun shooting range/gallery that Steve Buttie came up with and volunteered to operate! Thank you, Steve!

There were families at the shooting gallery learning how to shoot guns safely with the BB guns.

Before long everyone was in shooting contests to win a piece of candy by shooting at targets like spinning cans, balloons, and ping pong balls. I never realized that a Red Ryder BB gun took so many adults back to their childhood when they first learned to enjoy shooting with a BB gun! I guess you could call it a modern day “time machine”.

Over 235 Outdoor Buddies came out to enjoy the day with their families and friends.

The day’s weather couldn’t have been better! The sun was shining and there was a small breeze that helped set the stage for an awesome summer event!

It was great meeting new members who had a wonderful time. Thank you for all of the kind comments!

During lunch we sold tickets to win different items like fishing poles, fishing gear, women’s jewelry, spot lights and two Daisy Red Ryder BB guns. Money that was donated helped offset some of the cost of the day. Thank you to you all who donated!

Special thanks to Peggy Reichert for setting up the bucket raffle and running it as well!

I would also like to say thank you to my wife, Penelope Sanford, for all of her help and support on this and many other events!

Next year’s Outdoor Buddies Family Day at Swift Ponds will be held on June 10, 2017 so please save the date! If you are interested in helping be a part of making this event happen please let us know!

Executive Director’s Comments ~ By Dwaine Robey

As with any organization, Outdoor Buddies experiences continual changes and challenges. As an all-volunteer nonprofit organization, Outdoor Buddies relies on dedicated unpaid volunteers to perform the multitude of tasks that must be done to make the organization successful. Finding and retaining productive volunteers is not easy! We are always looking for additional dedicated volunteers who want to perform public service work.

In many cases, volunteer work related to fundraising and planning/organizing events or activities can be performed at home. You can be assured that money raised from your efforts and work you perform will go toward helping others.

In addition to our hunting and fishing programs, we need volunteers who have the skills and aptitude to help with events such as our annual fundraiser banquet, annual sporting clays tournament, annual golf tournament, annual family day events, newsletter, website, and our youth program.

We need volunteers who are able and willing to make an ongoing commitment. For example, our officers and board members are elected to three-year terms. Currently our board of directors meets on a monthly basis. Volunteers have the opportunity to organize and lead activities if they wish or act as a helper with direction from the activity leader.

New volunteers will typically work with someone who can provide any training and support needed to become proficient and comfortable in the volunteer role.

Anyone interested in working as an Outdoor Buddies volunteer should contact me or Dan Brown, Outdoor Buddies Volunteer Committee Chairman. We can use your help!

I would like to take this opportunity to ask for your involvement in helping to make a success of a few upcoming Outdoor Buddies events.

Due to unavoidable scheduling conflicts we are having two Outdoor Buddies events on August 6th. We regret this conflict, but could find no way to avoid it!

There will be the Rich Cori Memorial Sight-In at Green Mill Sportsman’s Club and the Outdoor Buddies 2nd Annual Sporting Clays event at Colorado Clays Shooting Park on Saturday, August 6th. Please make plans to participate in one of these events if you can. And don’t forget to submit your bid for the South Africa Plains Game Safari for Two Hunters to be sold at auction at the sporting clays event. Please see pages 7, 8, and 9 for more information. You can register for the Sporting Clays event using the form on page 9 or via the Outdoor Buddies website at www.outdoorbuddies.org.

For all golfers, please sign up to participate in the 2016 Outdoor Buddies Golf Benefit at Green Valley Ranch Golf Course on Saturday, August 20th. This is a fabulous golf course and the staff members are ultimate professionals who take excellent care in hosting our event. You will feel welcome and comfortable playing there. Please go to the Outdoor Buddies website or use the form on page 10 to register.

I solicit your feedback about Outdoor Buddies. Please feel free to contact me with your suggestions or comments. You can reach me at (303) 877-8584 or dwaine.robey@outdoorbuddies.org.

From the President ~ By Larry Sanford

Wow! It has been a hot July so far here on the Front Range in Colorado! It is fire season and there are four or five fires burning up in the mountains. Now that Outdoor Buddies Family Day at Swift Ponds is behind us, it is time to get ready for future activities such as the Outdoor Buddies Sporting Clays Fundraiser Shoot on August 6th. Pronghorn hunting at Meadow Springs Ranch will get started in mid-August during archery season. A fishing outing on the Poudre River is scheduled for September 10th.

Our family day events were great fun this year! I sure encourage all of you to come out and enjoy what each one has to offer!

These are a few events that we offer before elk and deer hunts start, so please come to any or all of them and support Outdoor Buddies! The Outdoor Buddies Board of Directors continually works to provide activities and events that are of interest to most members. We try to provide activities that are of the most interest to members. So let us know what activities you enjoy and come out with your family. If you need help let us know! If there is a will, there is away!

On August 6th Outdoor Buddies is holding our 2nd annual Sporting Clays Fundraiser Shoot at Colorado Clays Shooting Park. You can sign up on-line via the Outdoor Buddies website at www.outdoorbuddies.org.

You can register as an individual shooter at a cost of $75.00 then you will be placed on a four person team or you can make up your own four person team and sign up on line for $300.00 per team.

There are Corporate Sponsorships available as well! Remember you do not have to be experienced at shooting sporting clays! This is all to support Outdoor Buddies; the goal is to HAVE FUN!

We need disabled volunteers, as well as able-bodied volunteers to help at the shoot. Parents with youth are also needed!

After the shoot we will be serving a whole roasted pig! YUM!!!

On a closing note, I have been with Outdoor Buddies since 1991 and have seen a lot of changes and growth! There is an increasing population of disabled persons who want to get back outdoors! Outdoor Buddies continues to be there no matter how that person became disabled or what type of adaptive equipment they might need to have an awesome outdoors experience! The same goes for getting our youth, who are our future outdoorsmen and women!

The one common denominator is that we continue to need volunteers for every aspect of this tremendous organization, Outdoor Buddies!

Please come see me at the 2nd Annual Outdoor Buddies Sporting Clays Shoot at Colorado Clays Shooting Park on August 6th.

May God bless you and your family!

My Hunt of a Lifetime
(Alaska grizzly bear hunt with Outdoor Buddies)
By Austin Shepard

My name is Austin Shepard and I want to give a big thank you and shout out to Outdoor Buddies for sponsoring my trip to Alaska.

I am 23 years old and recently had the opportunity to be sponsored by Outdoor Buddies to go on a hunting trip of a lifetime. Before I tell you about the hunting trip let me tell you my story.

When I was a kid I was very athletic I played a lot of sports like football, baseball, basketball, soccer, tennis, and golf. I was gifted in all of these sports with God given talents.

But on January 30, 2003, at the age of ten, I was at baseball practice and was hit in the head with a thrown baseball. From this bump on the head, I went into a coma for two and one half months. When I awoke I couldn’t walk or talk, and I was on a new journey through life.

How I came across Outdoor Buddies was by sharing my dream with a friend of mine, John Schonewill. John is an avid hunter and I told him my dream was to go hunt a grizzly bear in Alaska. Having shared my dream with John he introduced me to Outdoor Buddies and all the wonderful hunts they coordinate for people with disabilities. John asked if Outdoor Buddies would sponsor the dream of mine to go to Alaska and hunt a grizzly bear. They said yes and my dream was coming true.

May 13, 2016 John and I left Denver International Airport and were headed to Anchorage, Alaska. When we arrived in Alaska it was 10:00 pm and the sun was still out. We hailed a taxi and headed for Wasilla, Alaska.

After waking up the next morning, we grabbed some breakfast at a little diner called the Trout House and met up with Tom Shankster, one of our guides, who is the owner of Alaska Trophy Hunts.

After eating a hearty meal we headed over to Sportsman’s Warehouse to pick up our Alaskan game tags and I realized my dream was becoming a reality. After we got our game tags we headed for the Wasilla regional airport and took a bush plane over to the hunting camp outside the Denali National Park and the hunting journey began.

It was the eleventh day of the hunt and John and I were tired, cold, frustrated, and disappointed that we had not seen a grizzly bear.

I could see a little uncertainty on the face of our guide, Bob, who had been a guide in that valley for thirty-five years.

But, as John, Bob, and I were on the side of the mountain overlooking the vast valley below us we were having a good time swapping stories and laughing. After sitting there for a few hours John spotted a black dot down below us moving at a pretty fast pace. Sharing what he was seeing we all pulled out our binoculars and realized that the little black dot John saw was a nice 6 to 7 foot grizzly bear with cinnamon golden brown fur on it.

We were excited and realized that we were definitely on the hunt of a life time!
We drove the Polaris to the very edge of a cliff and got out and started making the journey by foot. We were trying to spot the bear and get in position to shoot.

We used a predator call to attract the bear. We did this three times, but every time we made that call the bear was miles from us. We hiked two and a half miles up and back without catching a real glimpse of the bear.

Now we were left with an option of either going back to the mountain side to where we had seen a black bear pop out a few times or keep tracking the grizzly.

John and I agreed that this was probably our only chance for getting a grizzly so we told Bob we preferred to try to track down the grizzly.

After getting back to the Polaris, we drove an additional two miles up the river bed and this time we spotted the grizzly way up on the side of a mountain. It was digging for ground squirrels. This gave us a perfect opportunity to get in front of the bear and get set up. That’s just what we did.

We drove down a ways with the bear ignoring the sound of the Polaris, parked at the bottom of the mountain, got out and hiked up the side. When we got in position, Bob started to make the predator calls.

Out of nowhere, the grizzly bear appeared at the peak’s edge and my heart started racing. Everything after that was like a dream!

We got the grizzly bear and skinned it right there on the side of the mountain. We left the carcass in hope that other bears would feed on it.

Looking back on this hunt of a lifetime I realize that I got a very nice lesson in being PATIENT. When we first arrived in camp the weather was beautiful, but a little hot and humid. And that night we were attacked by hundreds, if not millions, of mosquitos in the cabin; it was a rough night to say the least. About the third day through the eleventh day we experienced every type of weather you could imagine from wind, rain, dust, snow, and heat. It was crazy and all this time we never saw a grizzly bear till the eleventh day of the hunt. What a great lesson to learn of being patient with hunting, life, and yourself. Just remember when you’re tired, frustrated, and ready to give up, to just be patient and watch everything come together.

We enjoyed beautiful scenery every day of our hunt!

I was one happy hunter!

It was truly a hunt of a lifetime and I thank my great friend, John Schonewill, for the "gift of a lifetime".

I want to end by saying what an honor and privilege it was to be sponsored by Outdoor Buddies! Thank you so much for making a dream of mine come true and I look forward to doing many more hunts with Outdoor Buddies.

Editor’s note:
Outdoor Buddies is happy to have played a small role in the Alaska bear hunt for Austin Shepard and we appreciate Austin’s kind words about Outdoor Buddies.

However, we want to make it known that the person who made the hunt happen is Mr. John Schonewill. John is a member of Outdoor Buddies and when he found out about Austin and his dream, he vowed to make the dream a reality for Austin.

He did just that! Outdoor Buddies commends John for his generosity and dedication to helping others.
