

Cow Bison Hunt

This bison hunt will take place in early December 2019 on a private ranch in Park County, Colorado and will be guided by a ranch manager.

The head, hide, and meat are the property of the hunter.

After the kill, guides will take care of field dressing and skinning your animal. Meat processing fees are not included, although we can help make arrangements.

The bison is the largest land mammal in North America. Bulls weigh up to 2,000 pounds and Cows weigh about 1,000 pounds. A processed bison carcass will weigh approximately 56% of the animal's original weight.

Bison are not domestic animals and should be treated with caution and respect; each animal has its own distinct personality. They can run at speeds up to 40 mph

Bison meat is great tasting and great for you! Most people say bison is the most flavorful meat they have ever tasted, with a sweeter and richer flavor than beef. It is not 'gamey' or wild tasting. Bison meat is much lower in fat and calories than other meats, including poultry and fish.

This bison hunt opportunity is well suited for older and/or disabled persons who can no longer ride on horseback or walk over very rugged terrain.

Outdoor Buddies believes that everyone should have opportunities to enjoy the outdoors!
