Tarryall Fishing on Private Pond

By Jim Piper

A group of Outdoor Buddies anglers met early morning on Tuesday, July 16th to fish at a private pond along Tarryall Creek. Chuck Schwalier arranged to make trespass passes available for the Outdoor Buddies anglers.

When we arrived at 8:00am it was raining, but this cleared up within an hour. Nonetheless, the fish were not very active early in the day, although Dan Brown and Chuck Schwalier were able to catch some nice ones. Abel Becerra was using worms, and also did well early the morning.

SPECIAL THANKS TO 2019 BANQUET SPONSORS

Phoenix Automatic Sprinkler, Inc.

Stephen Red Owl

Judge Merwin M Brandon Jr.

Around 11am the activity increased and Tony Hodges began to catch fish, then Jim Piper began to get bites and pulled in a nice one.

Terry Nelson, accompanied by Gerry Robinson, tried to interest the fish with flies. Both Tim Smith and Stuart McQuillan stayed into the afternoon when the fish really started biting.

Dan Eaton fished the stream with good success and brought tasty sandwiches to quell our hunger.

It was well worth the effort to fish this pond.

Big thanks to Chuck Schwalier for making this possible, and many thanks to Tarryall Fishing Club for extending their hospitality to Outdoor Buddies.

Our anglers deserve a round of applause too. These guys are not just sitting home in front of the air conditioner. They are getting out there and are having fun and that takes motivation.

Tickets for Colorado Rockies Games

Outdoor Buddies is pleased to offer free tickets to select Colorado Rockies games throughout the season.

This perk is through the Colorado Rockies Community Outreach Program and it's absolutely free.

Here's how it works:

Outdoor Buddies will notify you when we have tickets for an available game. These seats will be offered on a first come, first served basis. If there is a game that you would like to attend please email Tony Hodges at

thodgesre21@aol.com with the following information:

1. **Your name**
2. **Phone number**
3. **Which game you would like to attend from the list provided**
4. **Number of tickets (Limit 6) and if you need wheelchair accessible seats**

Tony will then submit the request to the Colorado Rockies. If the tickets are available he will pick them up from the Colorado Rockies and contact you via the phone and make arrangements to get the tickets to you.

Thank You From John Morris

My name is John Morris and I am a C-4 quadriplegic, I suffered my spinal cord injury at age 18.

Before my injury I was a young active outdoor enthusiast and I would be outside on a regular basis. I feel this all changed when I had my injury.

I looked at myself as a different person and going outside was not in my best interests. Thanks to my wife, friends, and family, along with my community, this has all changed.

Because of organizations like Outdoor Buddies and their wonderful programs to get individuals like myself outdoors and enjoying life. I feel a new sense of confidence and a new outlook and perspective on life. And I too, like outdoor buddies, would like to continue on the message of encouraging individuals to adventure back out and taste life again.

Thank you Outdoor Buddies and to your wonderful donors and a special thanks to Tony Hodges for all his hard work in making this organization possible.

John enjoys a Rockies game with family and friends.

Outdoor Buddies is managed by its Board of Directors.

Outdoor Buddies Annual Fishing Outing On the Cache La Poudre River

Saturday, September 14, 2019
8:00 AM to 3:00 PM

The Cache La Poudre River, sometimes called the Poudre River or the Poudre, headwaters are in the Front Range in Larimer County, in the northern part of Rocky Mountain National Park. The river descends eastward in the mountains through the Roosevelt National Forest in Poudre Canyon. It emerges from the foothills north of the city of Fort Collins.

It flows eastward across the plains, passing north of the city of Greeley, and flows into the South Platte River approximately 5 miles east of Greeley.

The name of the river means "Hide the powder" in French. It refers to an incident in the 1820s when French trappers, caught by a snowstorm, were forced to bury part of their gunpowder along the banks of the river.

The river is a popular summer destination for fly fishing, whitewater rafting, tubing, and kayaking in the Poudre Canyon. The fish in the Cache La Poudre River include: rainbow and brown trout.

This is where Outdoor Buddies holds an annual fall fishing outing. The outings are held at the US Forest Service's Stevens Gulch Picnic Site.

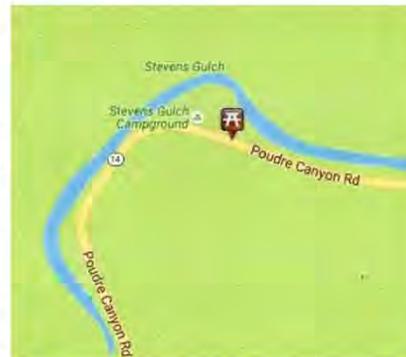

Directions: From Fort Collins take highway 14 west to Teds Place, and take a left. Go 17 and 1/2 miles. Stevens Gulch is two miles west of the tunnel just after mile marker 105. Parking is northwest of the road at the campsite. The site is at an elevation of 6,112.

The Stevens Gulch picnic site has seven sites, each with a picnic table and fire pit or grill. Campfires are allowed in the fire ring or grate provided. There are vault toilets at the picnic site. There is no fresh water supply at the picnic site.

Outdoor Buddies is offering a terrific day of fishing, and we guarantee CATCHING, on the Poudre River on Saturday, September 15th. Colorado Parks and Wildlife is helping make this an end of summer adventure for Outdoor Buddies members and their families by stocking some fish for us the day before our outing.

Outdoor Buddies will provide lunch, soft drinks, and fishing assistance for those who want it. There will also be two Actiontrack wheelchairs available if needed.

Please register for this event with Larry Sanford at 970-218-5356 in advance so that we will know how many persons will be having lunch with us.
